IMPORTANT NOTE

This catalogue is an **exclusive edition** for MAN engines with the order number given at the bottom of every page. It is therefore in the owner's interest to look after the catalogue carefully.

Spare parts for the engines in question can be ordered only using this catalogue. For this reason it is imperative that you always keep the catalogue at hand, even when using the MAN after sales service, and that you pass the complete user information on the new owner if you decide sell the engine. Additional copies can be ordered as spare parts. The catalogue order number is identical to the order number given in the engines sales contract

WICHTIGER HINWEIS

Vorliegender Katalog ist eine **Exklusivausgabe** für die MAN-Motoren mit der auf jeder Seite unten angegebenen Auftragsnummer. Es liegt daher im Interesse des Besitzers, den Katalog gut aufzubewahren. Ersatzteile für die betroffenen Motoren können nur anhand dieses Kataloges bestellt werden. Aus diesem Grund ist es unerlässlich, selbst bei der Inanspruchnahme des MAN-Kundendienstes den Katalog griffbereit zu halten und beim Weiterverkauf des Motors die komplette Benutzerinformation mitzuliefern. Zusätzlich gewünschte Exemplare können auf Ersatzteilbasis nachbestellt werden. Die Bestellnummer für den Katalog ist identisch mit der Auftragsnummer lt. Kaufvertrag des Motors.

AVVERTENZA IMPORTANTE

Il presente è catalogo una **edizione esclusiva** per la MAN, Dipartimento Motori. Esso è corredato di numero di ordine in calce ad ogni pagina. E' interesse del proprietario custodire con cura questo catalogo. Le parti di ricambio per questo motore possono venire ordinate solamente con questo catalogo. Per questa ragione è indispensabile che esso sia sempre a disposizione anche se si richiedono prestazioni del Servizio Assistenza Tecnica MAN. Anche qualora il motore venga rivenduto è necessario allegarvi la completa documentazione. Esempi di riserva possono essere richiesti come parte di ricambio con le consuete procedure. Il numero di ordinazione per il catalogo è identico al numero di ordine del motore, rilevabile dal contratto di acquisto del motore.

INTRODUCTION

Catalogue terms and their meaning

The spare parts catalogue is divided into function groups and text blocks. The contents of sales groups are grouped together in the blocks.

To permit simpler understanding, large sales groups are spread out across several function groups and text blocks.

Quoting the sales group number in correspondence and during telephone conversations speeds up processing.

The extent of delivery of the parts number given under item 1 also includes the parts listed under items 2 and 3. These parts can also be ordered individually.

1
2 - 3

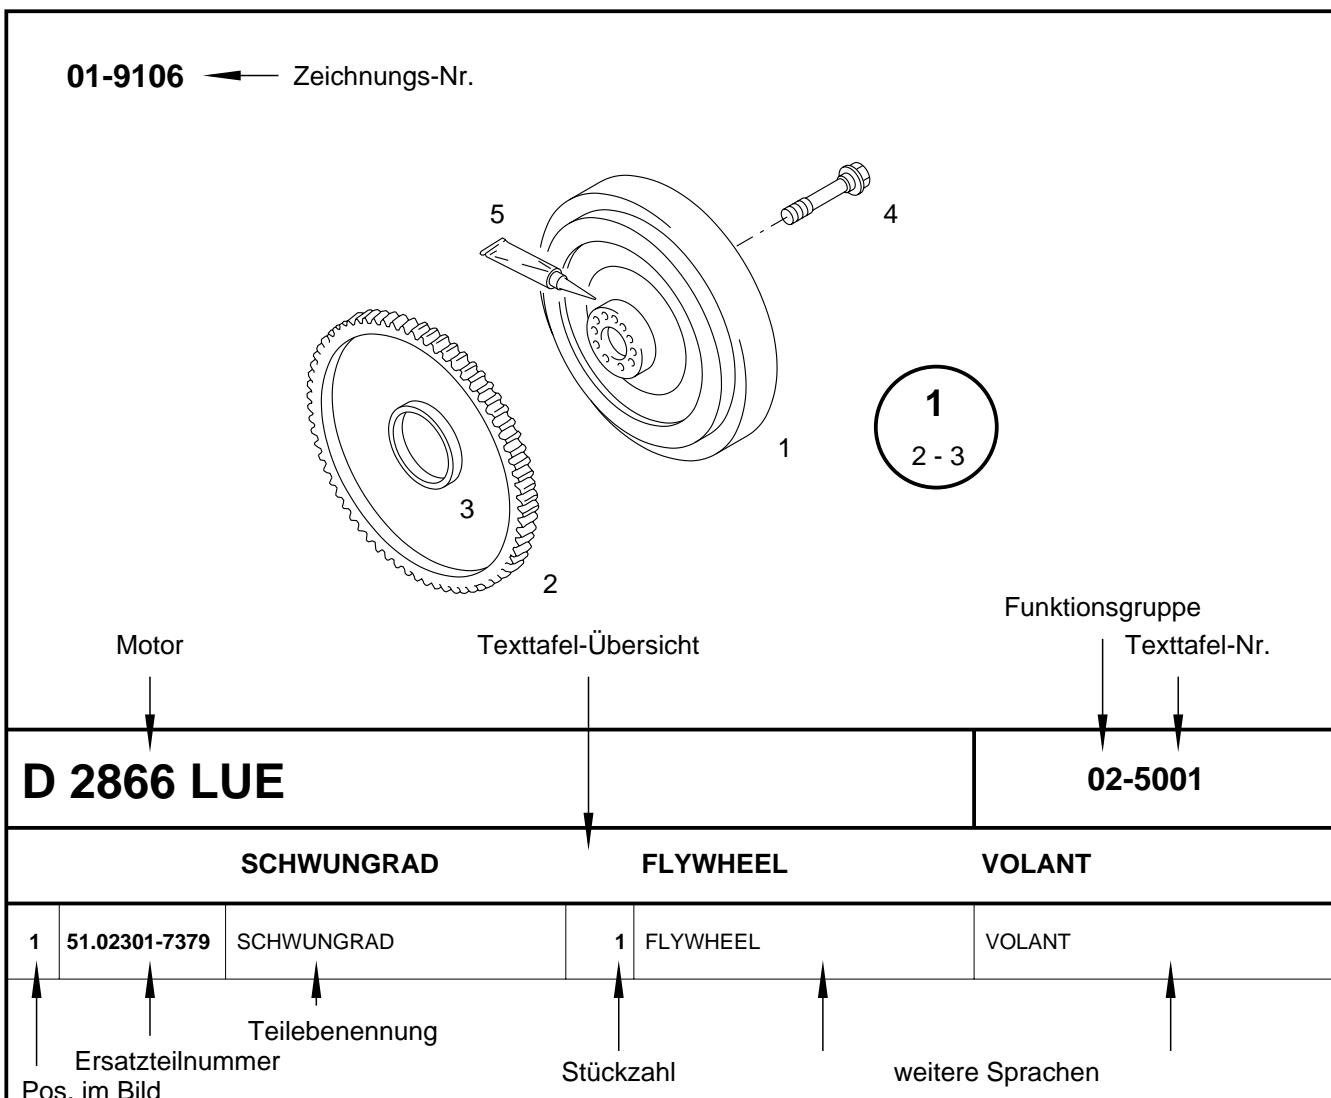

When ordering spare parts, please always quote:

- Engine model, engine no. and order number as indicated on the engine model plate. Follow the instructions in the Operator's Manual (model plate).
- Observe repair sizes.
- Spare part designation:
Spare parts number, name, quantity required.
- Desired mode of delivery: postal package, ordinary freight, urgent freight, express freight, air freight, etc.
- Exact address of recipient.

EINFÜHRUNG

Katalogbegriffe und deren Bedeutung

Der Ersatzteilkatalog ist in Funktionsgruppen und Texttafeln gegliedert. Die Texttafeln stellen Inhalte von Verkaufsgruppen (V-Gr.) dar.

Umfangreiche Verkaufsgruppen sind wegen der besseren Übersichtlichkeit auf mehrere Funktionsgruppen und Texttafeln verteilt.

Die Angabe der Verkaufsgruppen-Nummer im Schriftverkehr und in Telefongesprächen beschleunigt die Abwicklung.

1
2 - 3

Zum Lieferumfang der Sachnummer unter der Pos. 1 gehören auch die Teile unter den Pos. 2 bis 3. Diese Teile können auch einzeln bestellt werden.

Bei Bestellung von Ersatzteilen bitten wir unbedingt anzugeben:

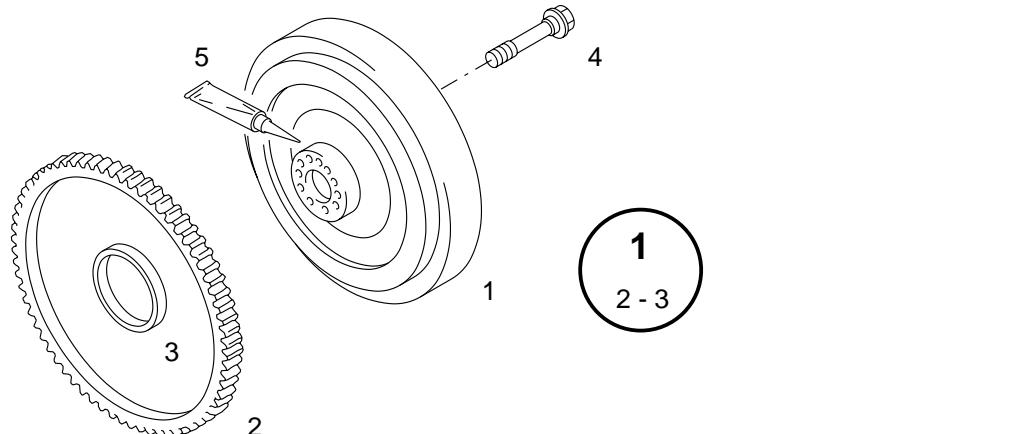

- Motortyp, Motor-Nr. und die Auftragsnummer gemäß Motor-Typschild. Anweisung in der Betriebsanleitung (Typschild) beachten.
- Reparaturstufen beachten.
- Bezeichnung des Ersatzteiles: Ersatzteilnummer, Benennung, benötigte Stückzahl.
- Gewünschte Versandart: Postpaket, Frachtgut, Eilgut, Express, Luftfracht, etc.
- Genaue Anschrift des Empfängers.

Il catalogo parti di ricambio è suddiviso in gruppi funzionali e tavole con testi. Le tavole rappresentano contenuti di gruppi di vendita.

Gruppi di vendita particolarmente vasti vengono ripartiti su più gruppi funzionale e tavole per rendere più chiaro il sistema.

L'indicazione del numero del gruppo di vendita nella comunicazione scritta oppure orale accelera il disbrigo delle ordinazioni.

Il volume di fornitura della parte posizione 1 comprende anche le parti delle posizioni 2e3. Queste ultime possono anche essere ordinate separatamente.
